## Encouragement

In this Easter season, we here at the Warrensburg Lutheran Campus Ministry are ever more grateful for the mercy of God.

The world was changed forever through Jesus' crucifixion on Good Friday and his resurrection on Easter Sunday. As his followers we are privileged to be able to have new life through his blessed sacrifice.

Jesus' loving act of redemption motivates us to reach out to those in our midst. We are compelled to share the hope of Christ with everyone.

We encourage you to continue to do the work of Christ by being active in your own faith life. The world has changed forever through the work of Christ. As this work continues to echo throughout the world, we cannot help but raise our voices in praise. God bless you this Easter!

## Donna's Retirement

A very large THANK YOU is in order for all of you who sent in cards and came to be with Donna for her retirement celebration. As someone lovingly observed, Donna was so moved by the love shown to her that she was speechless for the first time that any of us have seen. Thank you all very much!

## Catching up

We have been happy to engage in a lot of community building throughout the start of the Spring semester. We were able to have a booth at the Spring Involvement Fair at the University and used that time to establish and build relationships with our fellow students. The lives of God's people are truly amazing!

Our weekly Bible Studies have been growing in attendance this Semester. We have had several area pastors come to lead the studies and teach us more about faithfully following God's word.

Director Jon-Michael Schweigert was the speaker at the Sedalia Zone LWML Rally at Heit's point. The Christians there provided us with a wonderful ingathering of food and a generous love offering. Thank you very much!

We participated in an Interfaith Dialogue that the Religious Student Organizations put together. It was an interesting time for us to be able to express why we are Lutheran and what that means to us.

Our Pre-Finals End of the Year Bonfire was a big success. We were all able to relax and enjoy fellowship before finals.

## Will you help serve God's Kingdom?

At the Warrensburg Lutheran Campus Ministry we are deeply grateful to those who are assisting us in proclaiming Jesus Christ to the University of Central Missouri. **We need your help** to continue serving in this way. There are many activities and ministries that we would like to be able to offer that we are unable to offer due to lack of funds. We have been privileged to form Thrivent Action Plans for workdays that meet part of the maintenance we require, but there is always more that needs doing.

If you or your organization is looking for a way to participate in furthering God's kingdom by impacting students (local and international, church and unchurched), we invite you to *please* consider sending a donation to the Warrensburg Lutheran Campus Ministry.

We are sincerely appreciative of your support and pray God's blessings upon your upcoming holiday season!

Thank you donors

We wanted to offer a specific and heartfelt thank you to those who have been moved by God's Holy Spirit to support the Lutheran Campus Center so far in 2016.
