

HOW CAN I HELP?

Independent Donation

Independent donations helped our ministry get off the ground to a wonderful start, and we are deeply grateful for the support. Checks can be made out to Faith Lutheran Church with "Faith & Campus Mission Ministry" in the memo line. Also ask your Pastor and elders about adding us to your congregation's mission budget.

Keep in Touch

Visit our new website at www.FACMM.org. Also let us know when your young men and women are coming to UCM, we would love to have them involved. Not everyone goes to a Lutheran college, but everyone should still have the opportunity to grow their faith.

Prayer

We are deeply grateful for your prayers. This ministry exists because of the heart and soul that has been poured into it by God through the Christians of central Missouri. God's blessing is an absolute necessity for any of this to continue.

An opportunity to make a great witness to people from around the world, whose lives can take this witness to the new lands they will impact for Jesus as well.

"But you will receive power when the Holy Spirit comes to you. Then you will be my witnesses to testify about me in Jerusalem, throughout Judea and Samaria and to the ends of the earth."

FAITH AND CAMPUS MISSION MINISTRY

FAITH AND CAMPUS MISSION MINISTRY

Faith and Campus Mission Ministry was created to supply a domestic missionary to serve as pastor for Faith Lutheran Church in Knob Noster and as Director of the Warrensburg Lutheran Campus Ministry. This ministry came together because many Christians in Central Missouri realized that there were two communities in need.

Faith Lutheran had gone through several vacancy pastors. Further, Faith needed someone to provide stability in the outreach to Whiteman Air Force Base. The church needed their own servant to continue the work of God. Similarly, Warrensburg Lutheran Campus Ministry, a ministry to the students and staff of the University of Central Missouri, was in need of a new director.

So, these two ministries, along with pastors and laity from the various churches in the area, came together to meet the need for both communities. The result of this hard work, significant donation, and immense amount of prayer, allowed Faith Lutheran Church to call a "domestic missionary" to serve both locations.

UCM CAMPUS MINISTRY

Young men and women who follow Christ are an absolute blessing to the whole church. In recent years, many churches have discovered that many young adults between the ages of 18 and 25 leave the Church. This is not good. These young men and women matter. That's why the Warrensburg Lutheran Campus Ministry exists, to proclaim Christ and build students up in faith.

We provide a Christ-centered community and do all that we can to ensure that Jesus Christ is revealed to the students of the University of Central Missouri. The students, whose faith become nourished by our care, are His witnesses and testify about Him.

We don't just preach to the choir either. We minister to Christians and Non-Christians alike. We minister to international students and local students; we minister to those fresh out of High School and second career students. Jesus died for each one of them; we can't help but show them that.

The best way we continue to be faithful in this way is by equipping our students to be able to share Christ. The road ahead will be continuing to do this. It will be continuing to bear testimony about the one who died for our sins.

FAITH LUTHERAN CHURCH

Faith Lutheran Church in Knob Noster exists to seek and to save the lost. It was founded in 1983 in order to proclaim the Gospel to the community of Knob Noster and to those at Whiteman Air Force Base.

As those who have been brought to know the hope of salvation through Jesus Christ, we want to share that hope with as many people as possible. This fervent desire to make disciples of all nations leads us to be engaged in community activities and to support local efforts at caring for those in need.

We believe that the people around us matter. Jesus Christ died to set his people free from sin. As sinners who have received this forgiveness, we look to our neighbors with compassion. They need to hear this message of hope in Christ, and we are committed to boldly proclaiming it.

We are happy to serve the men and women of Whiteman Air Force Base. We believe that those people who dedicate their lives to serving our country should hear the full Gospel of Christ. They are more than just "a soul" to us, and that we are committed to meeting them where they are in life rather than demanding they come to us.

God the Son himself was born into the world, died on the cross, and rose again from the dead to save the people we see in our daily lives. How can we not want to share this truth?
