

# Faith and Campus Mission Ministry

**Warrensburg Lutheran Campus Ministry (WLCM)** is meeting the needs of college students at the University of Central Missouri. In the LCMS we constantly worry about the fact that so many young adults leave the faith between ages 18 and 25. The salvation of our young men and women is important to us. That's why the WLCM exists, to proclaim Christ and guide students through life as Christians.

**Faith Lutheran Church** of Knob Noster Missouri believes in ministering to the U. S. Military. We were founded to proclaim Jesus to the armed forces at Whiteman Air Force Base. In this current climate, the truth of Jesus Christ stands tall. Let's get his word out!

An opportunity to make a great witness to people from around the world whose lives can take this witness to the new lands they will impact for Jesus as well.

## How Can I Help?

### Independent Donation

Independent donations helped our ministry get off the ground to a wonderful start and we are deeply grateful for the support. Checks can be made out to Faith Lutheran Church with "Faith & Campus Mission Ministry" or "FACMM" in the memo line. Also ask your Pastor and elders about adding us to your congregation's mission budget.

### Keep in Touch

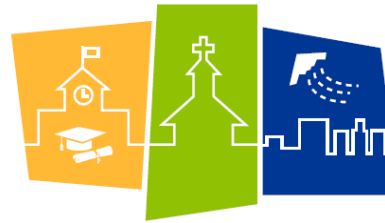

Visit our new website at [WWW.FACMM.Org](http://WWW.FACMM.Org). Also let us know when your young men and women are coming to UCM; we would love to have them involved. Not everyone goes to a Lutheran college, but everyone should still have the opportunity to grow in faith.

### Prayer

We are deeply grateful for your prayers. This ministry exists because of the heart and soul that has been poured into it by God through the Christians of Central Missouri. God's blessing is an absolute necessity for any of this to continue.
