Spring 2023 Edition

WHAT WE DO

Our ministry directly helps young Christians who are on their own, perhaps for the first time. This is a time for them to grow and examine the values they have been given.

Our ministry encourages questions. The Word of God has been providing answers to life's toughest questions for centuries!

We are also training our students to think theologically. They are able to examine happenings in the world by the lens of the cross. This grants wisdom and discernment that helps for the rest of their lives.

They become competent servants of God in your church, and churches across the world. We intentionally train our students to be able to lead and plan events, and to be confident leading a devotion or Bible Study. With our help, they are ready to lead their families and help their churches.

This matters for today and especially for tomorrow. This is how you're serving God as you support us.

Thank you!

-Rev. Jon-Michael Schweigert

SPRING SEMESTER EVENTS

Pastor finally got grant money for a smoker!!!!!! Thanks MO District! We've been using it a bunch.

This semester flew by. We also gained a bunch of new students this semester who were ready to learn and serve together.

We introduced a new teaching unit on Creation for our Spring Bible Studies. God's command to be fruitful and multiply comes twice in scripture, and after each command we see great diversity and proliferation across all of God's creatures. Truly He is amazing!

Be sure to keep up with all our activities by checking out our Facebook Page "UCM Lutheran Student Center" or our Instagram @UCM_LSC

Group hug from a local alumni & students game night. This was just a trial event, look forward to more opportunities next year!
