Catching up

Wow, what a semester! We were able to do all kinds of fun and meaningful activities this Spring.

We were able to do several service activities. Volunteered at a local animal shelter, served tables for the Gifts of Grace charity auction, and had a work day fixing up the Student Center.

We continued to have weekly Bible Studies and we **sincerely** thank all the people who donated food for us. We grew so fast we weren't ready for the added food needs. We also held worship services for the first time in a long time and it felt incredible to worship God together. On April 21st we held a lock-in where we had devotions, and a very deep conversation on being faithful in a broken world.

To close out our year we had a cookout at Pastor Schweigert's house where he taught us how to make homemade hamburgers. Also on the Monday of finals week Pastor Schweigert cooked breakfast for us at the Student Center.

See more pictures and a video of the pet shelter by "liking" us on Facebook at www.Facebook.com/UCMLutherans or searching for "UCM Lutheran Student Center."

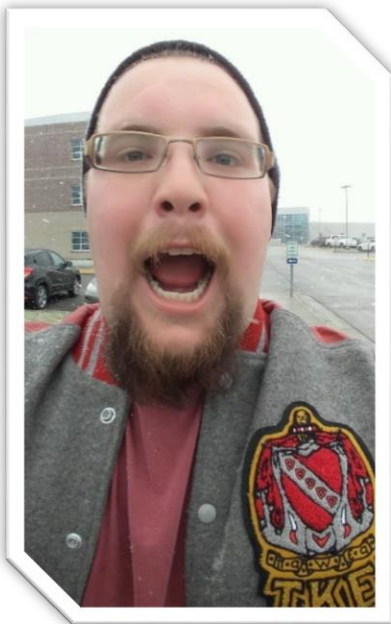

Join our mission!

Help us proclaim the Gospel of Jesus Christ to the world! We are doing this work at the University of Central Missouri and your support makes you a participant of this work with us.

The Lutheran Student Center is dependent upon donations to continue our ministry. **Without your participation we can't do this work.** We want to proclaim Christ for years, help us do so!

If you or your organization is looking for a way to participate in furthering God's kingdom by impacting students (local and international, church and unchurched), we invite you to *please* consider sending a donation to the Warrensburg Lutheran Campus Ministry. We are sincerely appreciative of your support and pray God's blessings upon your summer!

Meet some of our students:

"My name is Tagan Eron Trahoon, and I'll be graduating with a degree in digital media production this year. I love the LSC because it has been such a warm and welcoming environment to me and I feel at home there. My faith has been strengthened through my amazing and insightful conversations with Pastor Jon Schweigert and through the amazing words and patience of my beautiful girlfriend Kristi who is a constant reminder to me every day that God is listening when we pray."

"Hi, I'm Jenny Goucher and I'm the president of our student organization. I am from New Haven, Missouri and I'm studying to be a Certified Nursing Assistant (CNA). The LSC is important to me because I have been able to share my passion for Christ with others. Thanks to all of you who support the gospel here!"
