## FALL HIGHLIGHTS

We had an AMAZING Fall Semester at the Lutheran Student Center! During opening week we had 100 students come to our events, many of them international students whose first Bible Study in America was at the LSC! With such a big kickoff, our group grew a lot this semester. More students means more opportunities to do great things!

For example: we packed and gave away 500 hygiene bags in the Knob Noster Trunk or Treat. The bags had toothbrushes and other basic care items. We did not want to single out the kids who needed the supplies, so we made enough for everybody! This way the families who are in need get help *and* keep their dignity.

We also gave away mid-term gift bags on campus with snacks and bible verses.

There were fun events too like movie nights, craft nights, game nights, laser tag, we went pumpkin picking, and every month the ladies of the LSC met together for a girls' night where they had fun and encouraged each other.

## Homecoming

Homecoming was a blast this year, but it was also a lot of work. Our students met the night before to hand make 320 donuts! They worked for hours prepping the dough, letting it rise, frying them in our small fryer across dozens and dozens of batches, making the icing, waiting for the donuts to cool enough to add the icing, adding sprinkles, and taste testing many donuts & donut holes. Despite all the work, it turned out to be a really fun time! Plus every single flat surface in the entire building was used so that was fun.

During homecoming we were able to set up tables to give out our donuts and donut holes while also offering coffee and hot cocoa for anybody who wanted them. Thankfully it was not very cold this year, so the coffee and hot cocoa were added treats instead of absolute necessities.

As always, everything is done by free will offering, though this year made us realize we need a non-cash option too!

We were able to raise enough money to order a bunch of Lutheran Student Center T-Shirts for everybody. It's great to see our logo and 1 Timothy 4:12 all over campus!

We also got to meet many LSC alumni who stopped by to visit. Thank you very much for
